# ACTIVATE YOUR BRAND

The 360 ACTIVATIONZ Video Booth is a powerful Social Media Activation tool for any event or brand activation. We want to show off your brand's presence and give your customers and guests a 360 Video Booth experience that is unforgettable. The sharable content will definitely capture the attention of followers on social media making it a great return on investment and value for money. If you want to make your next brand activation / experiential marketing event to be more engaging and unique with the potential to reach a wider audience on social media, then look no further than the 360 ACTIVATIONZ Video Booth.

Let us activate your brand.

## **SHARE VIDEOS ON SOCIAL MEDIA INSTANTLY + CAPTURE CUSTOMERS DATA**

It's important to provide your customers / guests with an experience they will remember, but it's also important to capture data and information that you can use to measure your ROI (return on investment) for each of your events / activations. After your event or activation we can provide you with emails/ contact information so that you can do a follow up with them later down the line.
